

Creative Montessori School Photo Release Form
Permission to Use Student's Photograph

Creative Montessori School may wish to use photographs and videos of Creative Montessori School students on the school's website, Facebook page, and in educational publications and marketing materials (both internet and print). Any such photographs would highlight the student(s) either demonstrating learning techniques or participating in approved school activities.

Please note:

- As a standing overriding policy, Creative Montessori School will never identify a child by name and no names will ever be used.

- Some of these photographs or videos may be action or candid shots taken during participation in school approved activities and events. Other photographs or videos may be staged for specific purposes.

_____ **YES**, I hereby authorize Creative Montessori School to use my child's photograph and/or videos for the purposes mentioned above. I understand and agree that Creative Montessori School may use these photos/videos in subsequent school years unless I revoke this authorization by notifying the school's administration in writing or by email.

_____ **NO**, I withhold permission for Creative Montessori School to use my child's photographs/videos for any purpose.
